Care instructions

Lucky bamboo

Keep the Lucky bamboo plant away from direct sunlight to avoid overheat from sun exposure and jade plant need sunlight or bright indirect light. Do not spray water or mist in the lucky bamboo leaves, a gentle wiping will remove dust or dirt from it.

In jade plant water only when the soil feels dry to touch.

Avoid the use of chlorinated water as it may cause damage to the lucky bamboo plant. Maintain the water level to keep the roots submerged in water.

~~Sweets~~ Change the water, clean the roots of the plant and pot once in a week to keep plants healthy.

Do not expose your sweets to extreme temperature which may affect the texture and flavour.

Do check the expiry date on the package before consuming it.

Stock your sweets in the refrigerator.
