- This gift pack contains an alluring jade plant with two beautiful Buddha idols.
- This plant is easy to care and require low maintenance.
- It can grow indoor and requires less sunlight.
- **Care Instructions of Jade Plant:** **Soil** Select the beauty of your house.
- Keep the plant indoor with bright sunlight for about 3-4 hours.
- **Soil** Select the Jade plant from harsh sunlight as it can cause damage to the foliage.
- **Watering** should be well drained and fertile for growing Jade plant.
- Water the plant when the topsoil (2-3 inch) in pot feels dry to touch.
- Do not ever overwater the plant.
- Avoid watering on the leaves of jade plant.
- **Application of Fertilizer** summer and reduce watering in winter and rainy season.
- During the main growing season (April - August) feed the Jade plant with organic fertilizer once a month.
- **Repotting** topsoil without disturbing the roots of the plant so it can uptake the nutrients and moisture easily.
- When a plant outgrows in current pot, re-pot with fresh potting soil and some fertilizer.
- **Plant Protection** late evening and keep the plant in shady area for 2 to 3 days and then move the plant in its suitable climatic condition.
- Remove dead, infected or damaged plant parts and discard them away from the plants.
- For any insect attack or disease, you can use Neem oil, Eucalyptus oil or Citrus oil spray for primary treatment.
