What makes it special

For a sustainable change, Nurserylive is bringing the green revolution to stationery items. Plantable notebook, pens, pencils, aims to provide stationery products made of biodegradable and organic materials that pose minimum or no danger to the environment. Instead of trying to harm our nature these are the cool alternatives to save the planet and fulfill our day to day needs.

These plantable things not only contribute towards our mother earth but also teach our children the importance of plants and our nature. This kit will prove to be very interesting for children to grow the thing you are working with, as well as this kit, is a very good corporate gift for office colleagues, employees, etc.
