Planter type

:

Stack, Grower

Usable as pot cover

:

No

Can be used for

:

Plant saplings, Plant cuttings and all type of indoor and outdoor plants.

Detailed description

Each stack has 3 planting sections. By ordering 3 stacks one can create flower tower as shown in an image, 3 stacks will have 9 planting areas in total. The stacks can be easily separated and reformed.

These planting sections have sufficient drainage holes at the bottom, which helps to avoid overwatering to the plant.

The provided dimensions are of a single stack (single layer).

Care instructions

Wipe out with soft and dry cloth, store in clean and dry place, handle with firm hands.
