## **Detailed description**

Concrete planters provide dual benefit of luxury and durability. This planter is a perfect piece to display succulent plants, air-plants or any other small plant which can add beauty to any centerpiece, table setting or office desks.

The thick walls and concrete material offers insulation from temperature fluctuations thereby protecting roots of the plant.

The inner diameter of this pot is 3.5 inch.

## Care instructions

Wipeout with a soft and dry cloth, handle with firm hands.
