Detailed description

Ceramic Plants are best natural all around choice to grow plants. They come in variety of shapes and colors. Their classic yet unique look is so attractive that a true gardener can not deny its presence.

These ceramic pots are also little porous and allow air and water movement through the sides of the pot and are perfect where potting medium needs to be dried in less time to promote healthy root growth and avoid root rot.

Create an exclusive decor and don't worry about the maintenance as ceramic pots are very easy to clean and almost free from discoloration.

Care instructions

Wipe out with soft and dry cloth, store in clean and dry place, handle with firm hands.
