## Detailed description

These grow bags are extremely strong which are widely used to grow all types of plants. Grow Bag is ideal for growing vegetables, foliage plants, and seasonal flowers and is the ideal choice for Kitchen gardening. When filled with potting media these grow bags will easily stand upright. Black interior and white exterior is for superior performance, reflecting sunlight back towards your plants. Due to its light weight and portability, they can be easily moved anywhere around. This grow bag has sufficient drainage holes at the bottom, which helps to avoid the overwatering to the plant.

## Care instructions

Wipeout with a soft and dry cloth, store in a clean and dry place, handle with firm hands.
