Benefits

- You will get a lucky bamboo with a glass vase and pebbles in a single pack.
- You can keep this plant in air-conditioned rooms also.
- Lucky bamboo symbolizes happy life making it a perfect gift for any occasion.
- These plants are extremely easy to take care of and require very little maintenance.

Care Instructions of Lucky Bamboo Sunlight

- Keep the plant indoor with bright indirect light.
- **Watering** - Keep the Lucky bamboo Stalks from direct sunlight as it can cause damage to the foliage.
- Avoid the use of chlorinated water as it may cause damage to the plant.
- Maintain the water level to keep the roots submerged in water.
- Change water from the glass vase every week.
- **Plant Protection** - If there is water or mist in the lucky bamboo leaves, a gentle wiping will remove dust or dirt from it.
- Remove dead, infected or damaged plant parts and discard them away from the plants.
- For any insect attack or disease, you can use Neem oil, Eucalyptus oil or Citrus oil spray for primary treatment.
- Change the water, clean the roots of the plant and vase once in a week to keep plants healthy.
