Description

Item Name : 11.5 inch Greenbo Railing Round Plastic Planter (Yellow) With Trays

Diameter (Approx.) : 29.0 cm / 11.5" inch

Height (Approx.) : 30.0 cm / 12.0" inch

Max railing size should be : 10 cm /4" . Its highly recommend not to place the planter on a railing whose size exceeds 4".

Drainage Holes : 2 Holes on each side (i.e total 4 holes)

Product Includes: 1 planter/pot and two trays for given price.

Material: High quality Plastic.

Product Features and Manufactures Instructions:

- Self-mounting - no screws or brackets necessary.
- No drip drainage – Can recycles water. Contains a built-in drainage solution - two removable & cleanable trays.
- The Greenbo planter must be placed on a railing so that the railing will fit comfortably in the planters sink, Its highly recommend not to place the planter on a railing whose size exceeds 4".
- It you would like to secure the planter to the railing, drill two holes (in the market places) and then tie with a nylon cable.
- You should add no more than 7-8 liters of soil to the planter, which should be equally distributed between the planters two chambers.
- The drainage trays have limited capacity- please water the plants sensibly.

Can be used for

- Outdoor plants
- Hanging plants
