Detailed description

These planters have sturdy and easy grip for enhanced handling, their design adds vertical strength, have raised bottom for excellent drainage, and are also available in wide range of sizes.

These planters introduce new designs with latest colour trends keeping in mind the growing demand of planters for every garden terrace, indoor and outdoor plantings, in consultation with customers, plant nurseries, contractors and professionals.

Care instructions

Wipe out with soft and dry cloth, store in clean and dry place, handle with firm hands.

Special note(s)

Lots of drainage holes in the pots bottom, which helps to keep the plant from being over watered.
