Detailed description

These pots introduce new designs with latest color trends keeping in mind the increasing demand for planters for garden, terrace, indoor and outdoor plants. The opinion of customers, plant nurseries, architects, and professionals has been taken into consideration while selecting this range of pots.

This pot has sufficient drainage holes at the bottom, which helps to avoid the overwatering to the plant.

Care instructions

Wipe out with soft and dry cloth, store in clean and dry place, handle with firm hands.
