Detailed description

This planter is light in weight, cost-effective, easy to stock. High-quality plastic protects pot color from fading through a direct sunlight or UV light. This planter has a fluted design for more strength.

Fix the brackets on the back side of the planter as shown in the product images. This planter can be mounted with the help of these brackets on the railing or grill (up to 1.8 cm diameter).

Care instructions

Wipe out with soft and dry cloth, store in clean and dry place, handle with firm hands.
