## **Detailed description**

These grow bags are extremely strong which are widely used to grow all types of plants. These bags can last for more than 5 years under constant use while resisting harsh sunlight. HDPE Woven Grow Bag 9 x 12 inch is ideal for growing vegetables, foliage plants, and seasonal flowers and is the ideal choice for Kitchen gardening. Due to its light weight and portability, they can be easily moved anywhere around. This grow bag has sufficient drainage holes at the bottom, which helps to avoid the overwatering to the plant.

## **Care instructions**

Wipeout with a soft and dry cloth, store in a clean and dry place, handle with firm hands.
