What makes it special

Air purifying plants are not just decorative, they have the ability to cleanse the air you breathe and act as anti-pollutants.

Air purifier can be used to decorate your outdoor space like a balcony, terrace, window sill, etc, as well as indoor space like these plants, can be kept in office desk, tabletop, etc.

These plants have also given the position in Feng Shui.

Caring instructions known to reduce stress, anxiety, improves mood and concentration at the workplace when placed around you.

Air purifying plants require bright indirect sunlight for proper and growth.

These plants require well-drained soil rich in organic matter.

You should remove dead, infected or damaged plant parts of the plant.
Water your plant only when the soil feels dry to touch. Overwatering is not required in the plant.
You can apply organic fertilizers like vermicompost, Garden green, etc to provide proper nutrients to the plant.
