How its useful for you ?1.Let food be the medicine and medicine be the food – a famous saying said by Hippocrates.

2.This is a much needed quote to follow in today's world.

3.We all need healthy food to stay fit, and we generally assume that healthy foods are not that tasty.

4.Remember that healthy food can also be tasty if cooked properly, and you should always know the importance of eating healthy food in your daily routines.

5.The main problem with our generation is the processed food, which makes us to leave the traditional and healthy food aside.

6.You should stop adopting western food habits like pizza, burger, french fries, etc, as these foods are not at all suitable for our health condition at all.
