## What makes it special

Plants make up the best kind of gifts because they supply oxygen to the atmosphere, removes harmful toxins, elevates the beauty of any space, and also helps in relieving stress.

They are super easy to care for, with rich green waxy leaves and require minimal watering, making them the perfect gift plant.

The Peperomia houseplant is an attractive addition to a desk, a table or as a member of your houseplant collection.

Peperomia plants have a compact form that lets them occupy a small space wherever you choose to place them.

### Caring instructions

The soil should be well drained and fertile for growing the plant.

Keep the plant in a place with bright indirect light. Do not expose the plant in direct light as it can damage the foliage of plant.

Do not overwater the plant, water only when the upper layer of soil becomes dry to touch.

Fertilize your plant with organic fertilizer during spring and rainy season.
