Description for Lucky Charm with Buddha and 2 Lucky Bamboo Stalks

Lucky bamboo plants make perfect gifts for any occasion and can symbolize ingredients to a happy life. The meaning of lucky bamboo varies depending on number of stalks, but the basic symbolism stands for Wealth, Happiness and Longevity. The three symbols of lucky bamboo make it a perfect present for weddings, house warming gifts, new job promotion and even birthdays.

Lucky bamboo plants are extremely easy to take care of and require very little maintenance, making them a perfect gift for a grandmother on Mother's Day, or a grandfather on Father's Day.

Lucky Bamboo is one of the most popular feng shui cures. You can see feng shui lucky bamboo in most floral shops nowadays. These cute little arrangements in their exotic containers are stalks of *Dracaena sanderiana*, a plant native to the equatorial West African region.

They are not bamboo.

So, why is it called the "lucky bamboo"? Most likely, because cuttings of the *Dracaena* look like the bamboo and the Chinese have for centuries associated the bamboo with good fortune, fortitude, and resilience.

The lucky bamboo arrangement is a perfect coming together of the five essential elements of Feng Shui - earth, wood, water, metal, and fire.
