Description The pistachio, a member of the cashew family, is a small tree originating from Central Asia and the Middle East. The tree produces seeds that are widely consumed as food.

**Common name:** Hydrangea macrophylla Horwack PISTACHIO

**Color:** Red

**Bloom time:** June to October

**Height:** 2.00 to 3.00 feet

**Difficulty level:** easy to grow

**Planting & Care**

Have a hose or bucket of water and all your planting tools nearby. Keep your bare-root rose in water until you are ready to place it in the ground. Plants can be cut back and moved in either spring or fall, but not in midsummer, as they might suffer and die in the heat.

**Sunlight:** Part shade

**Soil:** well-drained soil

**Water:** Medium

**Temperature:** 100 degrees F

**Fertilizer:** Apply any organic fertilizer

**Care:**

- Plant care may require a bit of effort, but the results are well worth the work.

- Not all plants are fragrant, but the most common and hardy do produce a sweet, carrying fragrance.
- Common is a vine and has larger glossy green leaves than Royal.
- Both can survive in temperate climates if they are planted in a sheltered area.
- Arabian is a small bush with evergreen leaves.
- 

**Care:**

- Epsom salts along with your fertilizer; the magnesium sulfate will encourage new growth from the bottom of the bush Prune plants every spring and destroy all old or diseased plant material.
- Wear elbow-length gloves that are thick enough to protect your hands from thorns or a clumsy slip, but flexible enough to allow you to hold your tools.
- 

**Special Feature:**

Group or mass in the shrub border. Also a good specimen or accent for foundations and other locations near homes or patios. Hedge. Containers.

Use

**Medicinal use:**

- The health benefits of pistachios include a healthy heart, weight management, protection against diabetes and hypertension, and improved digestion.
- The vitamins, minerals, fats and protein found in pistachio are all very good for your health.
- Pistachios are one of the oldest nuts that were commonly used in the world.

**Note:**

for medicinal use
