

## Round Plastic Plate, Tray for 10inch Pots (Pink)

The bottom plate reduces the risk of damage and staining through water, by keeping the water directly under the pot and off the surface below.

#### Reviews

Sunday, 25 June 2017

Size is very small guys. Buy it only if you want pots for your indoor plants. Other than size its just fine. Nicely packed and delivered.

The pot is superb but the problem is it has holes on the bottom like when I tried to do potty in the pot it leaked out and made a messy situation
