Description for Syngonium Variegated with Lovely Teddy for Her

Plant height: 5 - 9 inches

Plant spread:

As a young plant, its leaves start out heart-shaped, then gradually become arrowhead shaped as it matures. Its dark-green leaves have silvery white or cream variation, making this a decorative and popular houseplant. Although it may be grown outdoors in some regions, the arrowhead plant is typically grown as a houseplant.

These plants can reduce components of indoor air pollution, even volatile organic compounds such as benzene, formaldehyde, toluene, and xylene. They also reduce airborne microbes and increase humidity. Researchers from NASA and other organizations have approved this plant as an air purifier, and it tops the list

Common name(s): Nephthytis, Arrowhead plant, Arrowhead vine, Arrowhead philodendron, Goosefoot, African evergreen, American evergreen.

Flower colours: Pale white

Bloom time: Rarely flowers indoor

Max reachable height: Up to 3 feet
